Robot Head

Teklite introduces the “flexilux” robot head to fit on TF 400XE & RRTM-ES lighting systems

The image is a composite of several photographs. On the left, a close-up of the "flexilux" robot head, which is a white cylindrical device with a articulated arm and a bright white LED light at the end. A large, semi-transparent text overlay reads "“flexilux” enables you to FOCUS" in white, and "NEW" in red, all set against a yellow starburst background. On the right, a red fire truck is shown from a three-quarter front view, parked on a paved area. The truck has "W2" and "Feuerwehr Mittelheintal" written on its side. In the background, a tall pole with a lighting fixture is visible against a clear blue sky. The overall composition is designed to showcase the product's features and its application in a real-world emergency lighting scenario.

MOBILE, PORTABLE & EMERGENCY LIGHTING

Flexilux focus positions

Flexilux robot heads enable the user to position the focus of the floodlights from narrow beam into wide beam and vice versa.

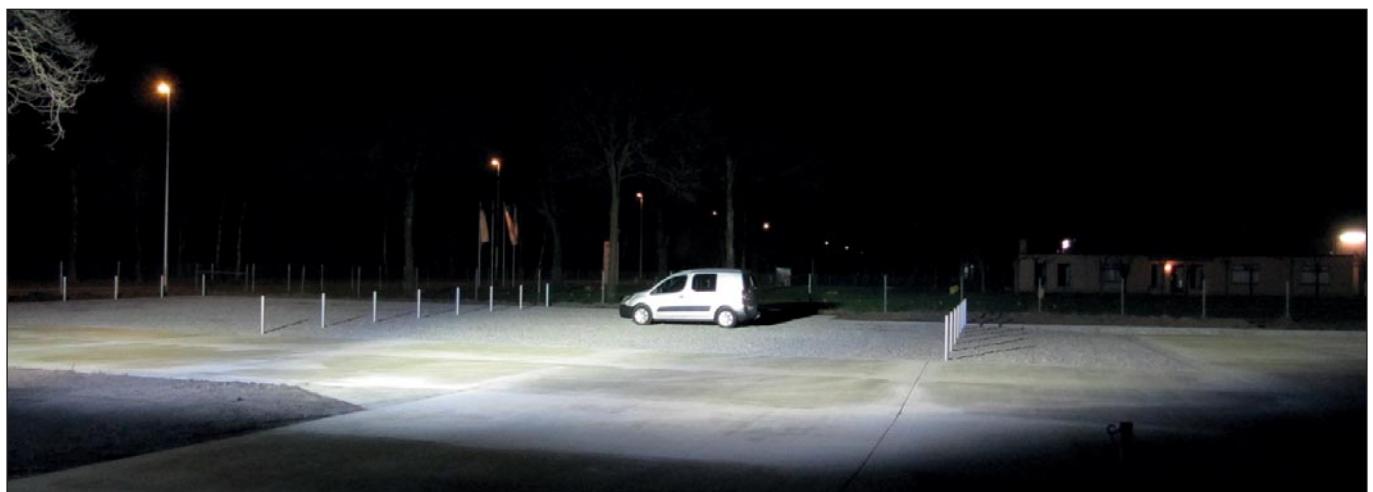

FLEXILUX “NARROW BEAM” POSITION (-5°)

FLEXILUX “STANDARD” POSITION (0°)

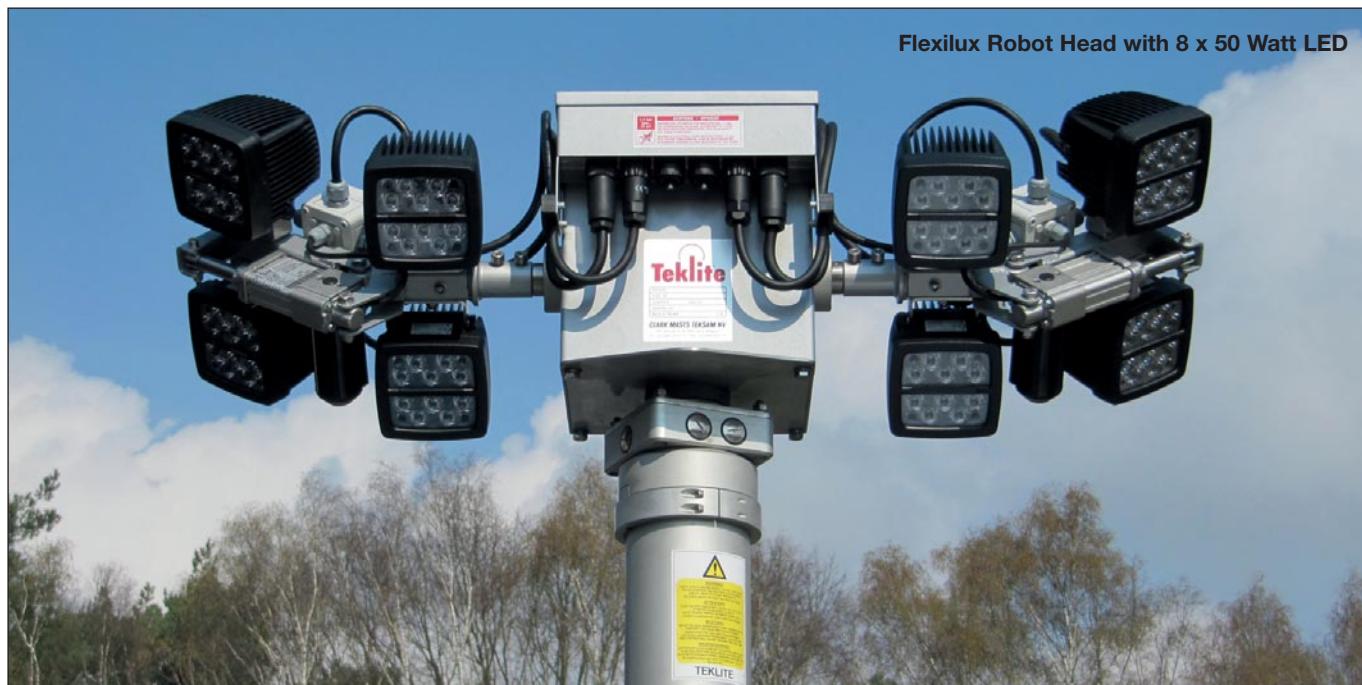

FLEXILUX “WIDE BEAM” POSITION (+35°)

Lamp choice

Cat. No.	Model	Volt	Ampere	Lumens
38510	8 x 35 Watt Xenon with Focus 12 Volt	24	12	28.000
38515	8 x 35 Watt Xenon with Focus 24 Volt	24	12	28.000
38470	8 x 43 Watt LED with Focus 12 Volt	12/24	32/16	24.000
38475	8 x 43 Watt LED with Focus 24 Volt	12/24	32/16	24.000
38460	8 x 50 Watt LED with Focus 12 Volt	12/24	36/18	29.600
38465	8 x 50 Watt LED with Focus 24 Volt	12/24	36/18	29.600
38520	8 x 70 Watt LED with Focus 12 Volt	12/24	46/23	36.000
38525	8 x 70 Watt LED with Focus 24 Volt	12/24	46/23	36.000
38530	8 x 80 Watt LED with Focus 12 Volt	12/24	56/28	56.000
38535	8 x 80 Watt LED with Focus 24 Volt	12/24	56/28	56.000

Remote Controls

Cable Remote Control

Functions

- To extend the mast
- To switch the lighting left (lights 1) and right (lights 2) "on" and "off"
- Beacon switch
- To turn and tilt the lamps in any direction
- Focus (-5° to +35°)
- Automatic return to stowed position (also when releasing the handbrake)

Cable Remote Control LVG/2L/Focus

Cat. No. 38560

1,25 metre spiral cable + 10 metres linear cable

RF Remote Control Kit (Optional)

RF Remote Control Kit LVG/2L/Focus

Cat. No. 38562

Kit contents :

- RF Remote control
- Rechargeable battery
- 110/230 Volt charger
- 12/24 Volt car charger
